

# SORRY WE COULDN'T REACH YOU BY PHONE.

We were calling to remind you to vote November 3 to support Metro Transit.  
Please consider these important points:

1. This City of Kalamazoo ballot will complete the two-part funding of public transportation in our area. Voting YES will permit Metro Transit to provide nearly 3 million rides a year.
2. Your Yes vote secures transit without higher property taxes. If city voters approve 0.6-mill request in November, city taxpayers will pay only 1.0 mills for the next three years, less than what they have have been paying for the past two years.

To learn more about this proposal and why a strong public transportation system means a stronger community, visit [WWW.PUBLICTRANSITNOW.COM](http://WWW.PUBLICTRANSITNOW.COM)
